PA College of Engineering and Technology, Pollachi commenced in the year 2008. It is a matter of great pride and privilege to be the Chairman of such a distinguished institute. In the past nine years we have progressed well and will continue to do so in the near future.

To assist the management to execute the policies, this concise handbook has been drawn which covers issues related to Service rules and promotional policies. It defines the rules that staff have to abide by, the code of conduct and their responsibilities toward the institute. It also states the staff rights and motivation policies to encourage them to work to their best potential.

I am sure this staff policy document will be useful to all staff. I profusely thank All Indian Council for Technical Education (AICTE) who set clear rules and guidelines to be followed.

I acknowledge the exemplary team effort by staff members of P.A. College of Engineering and Technology who have assisted in preparation of the Staff Policy Document. Their inputs and ideas have ensured that all points have been covered.
