ABOUT THE COLLEGE

P.A. College of Engineering and Technology (PACET) is approved by AICTE New Delhi, affiliated to Anna University, Chennai with ISO certification and accredited by NAAC with ‘A’ grade and also the Departments of CSE, EEE, ECE and MECH have been accredited by NBA. The College is located on the State Highway (SH-19) about 2 kms from Pollachi and 42 kms from Coimbatore. The Arul Jothi Charitable Trust promoted by Dr. P.Appukutty, Chairman and Managing Trustee with 35 years of experience in technical education has established this institution in 2008, with a vision to progress to become a center of excellence in engineering and technology through creative and innovative practices in teaching, learning and to promote research and development to produce globally competitive and employable professionals. The College has strong industry interaction and placement cell for enhancement of students’ career.

The College offers five UG programmes (B.E in Civil, CSE, ECE, EEE and Mechanical), three PG programmes (M.E in CSE, PED and VLSI Design) and two Ph.D. programmes in CSE and EEE.

VISION OF THE INSTITUTE

“To progress to become a center of excellence in Engineering and Technology through creative and innovative practices in teaching-learning and promoting research and development to produce globally competitive and employable professionals who are psychologically strong and emotionally balanced with social perception and professional ethics.”

ABOUT THE DEPARTMENT

The Department of Civil Engineering was established in the year 2014 with a vision to develop Quality Engineers to meet the current needs in the emerging world of Engineering. The aim of this Department is enrich the students with widespread knowledge of theory and practice. The Department also strives hard to bring up world class civil engineers. The Department has an excellent team of faculty members promoting the students towards a proactive attitude to achieve a work culture, team spirit and social ethical values.

OBJECTIVES OF THE PROGRAMME

This Seminar will be an eye opener for students and researchers about an emerging branch of technological research in Nano Photonic that will have incalculable implications in science and industry. This seminar will bring out the futuristic possible uses for Nano photonic technique used in Neuro photonics which will include safety precautions for the decrepit persons.

CONTENT

- Introduction – Nano photonics
- Applications & Uses of Nano photonics.
- Significance in Nano photonics
- Introduction to Neuro Photonics
- Plasmonic Techniques
- A trip through Nano to Neuro Photonics
- Safety Precautions using photonics

ELIGIBILITY FOR PARTICIPANTS

Faculty and students from Engineering colleges, Arts and Science colleges, Medial colleges, candidates from Industry and R&D organizations are considered on self-supporting basis.

REGISTRATION FEE

Students : Rs. 250/-
Faculty / Research Scholar : Rs. 300/-
