ABOUT THE COLLEGE

Work

P.A. College of Engineering and Technology, an autonomous institution, is approved by AICTE New Delhi, affiliated to Anna University, Chennai with ISO certification and accredited by NAAC with 'A' grade and also department of CSE, ECE, EEE & Mechanical got NBA accreditation. The College is located on the State Highway (SH-19) about 2 kms from Pollachi and 42 kms from Coimbatore. The Arul Jothi Charitable Trust promoted by Dr.P.Appukutty, Chairman and Managing Trustee with 35 years of experience in technical education has established this institution in 2008, with a vision to progress to become a center of excellence in engineering and technology through creative and innovative practices in teaching, learning and to promote research and development to produce globally competitive and employable professionals. The College has strong industry interaction and placement cell for enhancement of students' career.

The College offers five UG programmes (BE in Civil, CSE, ECE, EEE and Mechanical), two PG programmes (ME in CSE and PED) and two Ph.D programmes in CSE and EEE.

VISION OF THE INSTITUTE

"To progress to become a center of excellence in Engineering and Technology through creative and innovative practices in teaching-learning and promoting research and development to produce globally competitive and employable professionals who are psychologically strong and emotionally balanced with social perception and professional ethics."

MISSION OF THE INSTITUTE

"To offer academic programmes in the emerging areas of Engineering and Technology, provide training and research facilities and opportunities to promote student and faculty research in collaboration with Industry and Government for sustainable growth."

vision to develop quality engineers to meet the current needs in the emerging world of engineering. The Department endeavours to educate the students to acquire knowledge in Mathematics and physical sciences, to enable them to communicate and use their skills constructively for the benefit of the society. The Department has an excellent team of faculty promoting the students towards a proactive attitude to achieve team spirit, social and ethical values apart from their curriculum.

OBJECTIVES OF THE PROGRAMME

This Seminar will provide widespread knowledge for both academic and research persons who work in the field of Sensor and update their skills. It will also provide enough guidance and expert knowledge relating to the development of sensor. This Seminar covers:

- Introduction to Mathematical Modelling
- Coverage and connectivity in wireless sensor network
- Clustering in wireless sensor network
- Underwater sensor networks

ELIGIBILITY FOR PARTICIPANTS

Faculty from engineering colleges, students with relevant background, candidates from industries, R&D organizations and faculty from arts and science colleges are considered on self-supporting basis.
